About *The Crisanta Knight Series*

The Crisanta Knight Series is a nine-book epic of enchantment, adventure, and sassiness. The series follows the children and younger siblings of famous fairytale characters, all of whom live in a magical world called “Book” where citizens train to become the next generation of main characters in stories. The series is told from the empowering perspective of Cinderella’s daughter, who is sixteen years old at the start of the saga.

Main Themes

I attended USC and *The Crisanta Knight Series* was founded on the principles of my award-winning Cinematic Arts senior thesis “Beauty & the Badass: Origins of the Hero-Princess Archetype.” Growing up, I always loved hero stories and princess stories, but the two archetypes did not mesh well enough for my liking and I wanted to create a female character that embodied the fundamental values of both kinds of characters — a “hero-princess” if you will. This became the heart of my series, and as a result my books are unafraid to dabble in valiancy and vulnerability, and address the complex balance and battle between the two. Some other main themes found in the series include: change, self-acceptance, morality, living up to potential, friendship, perseverance, and the power of choice.

Uniqueness in Today’s Market

In the middle grade, teen, and YA book markets, most stories are dark and apocalyptic, and most female protagonists are romance focused. This series is something different. Despite a plot that grows in intensity, stakes, and drama, *The Crisanta Knight Series* never stops filling you with light, wonder, and fun. Readers have more smiles than angst about who’s going to die next, while also being inspired to introspect. It’s a series that mixes sassy, witty humor with great action, genuine heart, and positive messaging. It’s a series that adults can read and kids can read, hence the fan base ranging from age 8—80. And furthermore, it’s a series where the female protagonist’s journey is the priority, unlike other books where the heroine’s journey is of equal value to her relationship with her love interest(s).

Geanna Culbertson Biography:

Geanna Culbertson is the award-winning author of *The Crisanta Knight Series*, *The Present* (a Christmas novel), and the *Heaven't You Heard?* guardian angels series.

Since *Crisanta Knight Book One*'s release in May 2016, the series has been honored with awards in genres such as **fantasy, adventure, teen, and YA** in addition to specialty awards such as the **Mom's Choice Award** for best family-friendly media, the Living Now Choice Award for "**best lifestyle and world-changing books,**" and many more!

Culbertson is a regular speaker at schools across the country for an array of age groups (from elementary schools to major universities). She is passionate about inspiring others to pursue their dreams, make proactive choices, and take fate into their own hands. Her work has been featured in *Girls' Life Magazine* as recommended reading for girls, and she is an ongoing supporter of the nonprofits *Girl Scouts of the USA*, *Read to a Child*, and *Girls on the Run*.

Culbertson is a first-generation college graduate and proud alumna of the University of Southern California where she earned her B.A. in Public Relations and triple minor degrees in Marketing, Cinematic Arts, and Critical Approaches to Leadership. She is part of only 1.3% of alumni to earn the double distinction of Renaissance Scholar and Discovery Scholar. Her Discovery Scholar thesis "**Beauty & the Badass: Origins of the Hero-Princess Archetype**" earned her acclaim in the School of Cinematic Arts and helped fuel her female protagonist writing passions.

In addition to authoring the books in her expanding *Culbertson Kingdom Literary Universe*, Culbertson is a full-time content and digital marketing manager. She has also earned her black belt, taught karate to kids, studied archery and piano, and graduated as a certified sushi chef.

Her overarching goal is to bring empowering, morally-driven content to the globe that inspires people to fight for the change they want to see, live honorably and courageously, reflect on preconceived notions, ask the tough questions, and strive to live up to their potential as individuals and members of the world. For, as she notes, "**Humanity is a team sport.**" and "**Humans are just heroes who haven't been tested yet.**"

Crisanta Knight: Protagonist Bound — May 10, 2016

I was going to be a great protagonist. At least that's what my mom, Cinderella, kept telling me. I, however, had my doubts.

Unlike most main characters at Lady Agnue's School for Princesses & Other Female Protagonists, I was opinionated, bold, and headstrong. Moreover, for a princess, I had a lot of issues. I'm talking vicious nightmares about people I've never met, a total stalker prince, and a Fairy Godmother for an enemy.

But I digress. Because here's the thing about living in an enchanted realm of fairytale characters, crazy junk you never planned on happens all the time. One minute you could be practicing fainting exercises in Damsels in Distress class, sword fighting in a field, or flying on a Pegasus, and the next, **BAM!** Your book has begun and you're saddled with a prophecy that changes everything.

I still don't know if I will be a great protagonist one day. But I do know one thing about my fate, for certain. Despite what The Author and the antagonists have in store for me, whatever it costs . . . *I'll be the one taking charge of my own story.*

★★★★★ Praise for *Crisanta Knight: Protagonist Bound* ★★★★★

"A delightful and **fresh take on the fairy-tale realm** with a princess destined to kick butt!"
— *Alexa, USA*

"A clever and engaging beginning to a **strong coming-of-age story** that mixes realistic issues with a modern take on fairy tale problems." — *msoc1*

"**The headline should read Harry Potter for Princesses.** With a soft spot for fairy tales this book was ideal for me, I enjoyed the theme that you can control and manage your own fate but you have to fight for it, and found it refreshing to not have an in your face love story. I felt like the book left me mid adventure, wishing there were more pages or having the next book to go onto." — *Mia, THE UNITED KINGDOM*

"Good, **honest soul searching** that will kindle a warm glow in your heart as the adventure unfolds. Bravo!!" — *Bibliophile, USA*

"Start this amazing series from the beginning. You're in for a **fantastic ride of magic**, adventure, and heart!" — *Theo, USA*

Crisanta Knight: The Severance Game — December 6, 2016

A lot of questions ran through my head as I desperately clung to the roof of a magic train crossing over a gaping canyon. Like: *How did I get here? What could I have done to avoid this fate? And, did I remember to shave my underarms before coming on this quest?*

But even after taking on a witch in a gingerbread house, bloodthirsty actors, and a whole mess of magic hunters and other fairytale shenanigans, the biggest, most pressing question pulsing through my brain as my fingers started to slip and my enemy bore down on me was this:

Could I really trust the person whose life I'd ruined to keep me from falling?

With antagonists closing in, inner demons threatening to consume me, and vivid nightmares chewing up my soul every time I shut my eyes, I was running out of options.

I knew the moment to decide whether or not I could truly trust any of my friends was fast approaching. But my head and heart were stuck. For just like the precarious position I now found myself in, the pain of holding onto the path I'd chosen thus far was outmatched only by the worry I had over (*gulp*) letting it go...

★★★★★ Praise for *Crisanta Knight: The Severance Game* ★★★★★

“I liked the first book in this series, but I love this one. A world of magic, princesses and heroes. Who wouldn't wanna live there? And who wouldn't wanna have friends like Crisa? [...] If you like reading books **full of action, magic and a strong heroine**, this is the one for you. Can't wait to see what happens next to Crisa and her friends.” — *Alex, USA*

“This book is like a dream come true! [...] full of humor, action, adventure, drama, fights, and it made me never want to put the book down. I loved this book!! I want everyone and anyone to read this! If you are a **fan of fairytales or Disney or adventures**. Read it!” — *Teresa, USA*

“This is such a fun series. The writing is deep and thoughtful but then **sassy and sarcastic**. Like sweet and salty in just the right mix.” — *Maggie*

“Great story with strong characters that are **learning to use their inner strength** as well as their fighting skills. I highly recommend the Crisanta Knight books for any girl young or old. They are good clean fun!” — *Kelly, USA*

Crisanta Knight: Inherent Fate — September 1, 2017

#1 New Release

in Children's Girls & Women Books

I had learned a lot in the last couple of days. I'd figured out how to defeat a fairytale villain with a Toyota 4Runner, how to surf on furniture (à la Aladdin and his magic carpet), and how to confront my wicked step-grandmother. But these bizarre lessons were only just the beginning.

If I was to overcome the obstacles in my path, I had plenty of learning left to do—about myself, and about my enemies. Between Nadia the queen of villains, and the leader of the Fairy Godmothers, I was in for a lot of trouble in this final phase of our quest to alter our fates. Separated from our friends, Daniel and I had to work together to traverse the kingdom of Alderon and evade the antagonists who were trying to destroy us.

Moreover, we had to do it while figuring out whether or not we could truly be friends. Not an easy sell when I was prophesized to put an end to his girlfriend. *Can you say awkward?*

With our mission drawing to a close, my significance to Nadia, my relationship with Natalie Poole, and my magical power were about to be revealed. But among these great truths, little did I know I was on the verge of discovering a strength that would be infinitely more powerful—one that had been inside me all along . . .

★★★★★ Praise for *Crisanta Knight: Inherent Fate* ★★★★★

“Can’t wait until the next one!! These books should be turned into movies!!! **Move over Harry Potter!!**” — *KOBO Review*

“Crisa is the hero-princess I want to be. She is amazing and this is a **great series for any age.**” — *choirgurl4-ever, USA*

“I thoroughly enjoyed this well written book. It was **fantastic!** I can’t hardly wait for the next installment of this series.” — *Jennifer, USA*

“I’m a sucker for **quality character development.** Especially when more than the main character develops. This book brought tiny threads of storylines from the previous books into a beautiful blanket that one could throw over one’s shoulders on a cold day. I literally can't shut up about this series to anybody that will listen!” — *William, USA*

Crisanta Knight: The Liar, The Witch, & The Wormhole —

June 1, 2018

There's no place like home. And maybe that's a good thing. The two homes I know — my school and my fairytale castle in the kingdom of Midveil — aren't what they used to be.

With my friends by my side and the aid of a new mentor for magic, I thought I was ready to fight the antagonists who planned to take over the realm of Book and destroy all its protagonists. Unfortunately, the universe had other plans that I didn't see coming.

And that's saying a lot for a girl who can see the future.

On our quest to find the missing Fairy Godmother Paige Tomkins, my friends and I would be transported to an array of magical lands. From the horrors of Sleepy Hollow and shores of Neverland, to the Wizard of Oz's front door — we were in for one dangerous, bizarre foe and setting after another. And yet, they would be no stranger than my own world. Because thanks to a brewing common character

rebellion in Book, relentless magic hunters, and the people I trusted most turning against me, the world I once knew was a thing of fairytales past.

★★★★★ **Praise for *Crisanta Knight: The Liar, The Witch, & The Wormhole*** ★★★★★

“Love this series!!!!!! So action packed and enthralling!!!! Crisa's character is by far **the most well written character** I've ever read.” — *Lauren, USA*

“A brilliantly written story, easily ready for the TV or movie screen! **As good as *Game of Thrones*** but written for a younger audience, this book will pick you up on its very first page, wrap you in its arms, and carry you all the way to the end.” — *Amy*

“Fun, exciting, interesting, thought-provoking, different, inspiring are just some of the words to describe this book series [...] It's **not your normal hero adventure story** (even though there's plenty of adventure and heroes), because the main character is a strong female who happens to be a princess.” — *Thistlelady, USA*

“The Crisanta Knight series is the most gorgeous, awe-inspiring book ever written, never cliché or mundane. The series would appeal to **Harry Potter or the School of Good and Evil fans**, or people who enjoy learning about strong heroines. In addition, this series somehow acts as a self-help book as Crisa's personal journey would strike a chord with many people and solve their insecurities.” — *Grace, HONG KONG*

Crisanta Knight: To Death & Back — April 1, 2019

And here I thought saving one realm was enough to fill up my to-do list.

Following the revelation that the antagonists were after the location of all of Book's genies, my friends and I knew our Wonderland road trip was far from over. With the magic fluctuation event known as the Vicennialia Aurora days away, antagonists and magic hunters hot on our tail, and my treacherous brother Alex and I in competition to claim Excalibur, matters were becoming larger-than-life very quickly.

I was one of those matters. My Pure Magic powers of life were growing incomparably strong. As I discovered the extent of my abilities, I was being tempted by the corruption that came with them. But how could I stop? Camelot's terrain was unlike anything we'd ever encountered. From evil kings to bloodlusting Bluebeards to the Questor Beast, I needed my magic now more than ever.

This world and so many others depended on me.

And yet, as my friends and I ran against the clock, our enemies, and the prophecies of the future that pursued us like hungry shadows, I'd come to learn one thing with absolute certainty. One thing that I would keep learning again and again. In a world where my beliefs about goodness and morality were being tested, and my soul was at stake, it was not my abilities of life that were my most valuable strength; it was my friends.

They were my greatest source of magic.

★★★★★ Praise for *Crisanta Knight: To Death & Back* ★★★★★

“A **beloved series** is hard to find, but this author has most definitely written one that should be granted a prominent place on every bookshelf around the globe.”

“I was so SHOOK when I got to the end!! I NEED MORE! 🤔 This story has kept me going for a while now. It's going to be **hard waiting for the next one.**” — Rachel, USA

“A **fun read that sucks you in** and doesn't let you go even after the final page has been turned.” — Amazon Review, CANADA

“This is a great series, especially for adventurous girls! **We've read and reread them all.** My daughter awaits new titles!” — Jennifer, USA

Crisanta Knight: The Lost King — November 1, 2019

Oh, what a difference a day makes.

When I was back at Lady Agnue's School for Princesses & Other Female Protagonists, I used to wonder how I would make it through an entire day of classes, magic training, and homework.

As the legendary magic flux known as the Vicennialia Aurora emerged, I wondered how I could possibly overthrow the evil king of Camelot, defeat Glinda in Oz, and get back in time to stop the antagonists from breaking out of Alderon and invading my world of Book—*all in one day*.

I guess that's what good friends are for. Good friends, and magic. My epic powers to give life and take it away were getting stronger and being heightened by the Vicennialia Aurora, so I had the ammunition to challenge every obstacle and villain that came our way. However, one problem remained: How could I unleash my magic to achieve our

goals and defeat our enemies while keeping the power from corrupting me?

From Merlin to the Fairy Godmother Supreme, everywhere I'd gone in recent days I'd been supplemented by powerful people who all thought they knew what I was capable of and how my morality should develop. But they didn't understand my burden. I wanted to save all the realms that needed me; I wanted to save everyone. But could I do that and save myself from succumbing to the disease ingrained in my magic? I didn't know.

I sure missed the days of homework though.

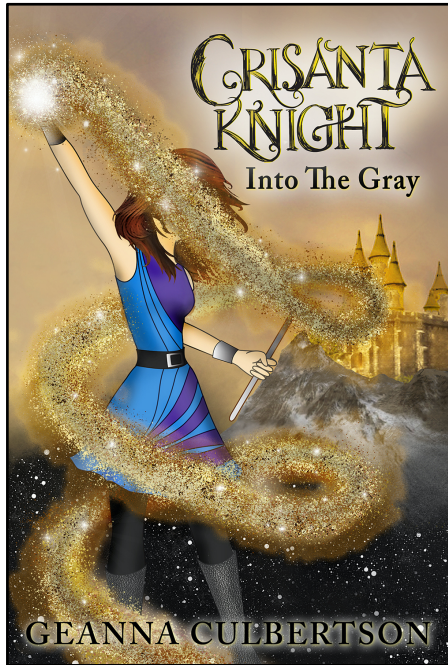

★★★★★ Praise for *Crisanta Knight: The Lost King* ★★★★★

"Think about all that you know about fairytales. Now try to rationalize it. Is it possible? Well, most stories don't seem very rational. But Geanna Culbertson somehow makes it all seem **stitched together with the utmost smoothness**. I think the thing I love most about this is the writing style. It's so smooth, you don't feel a staccato while reading. It doesn't seem like the characters jump from one situation to the other and the ever developing plot has hooked me onto this series." — *Sanjana, INDIA*

"The character development in this series is **absolutely brilliant**." — *Natasha, UNITED KINGDOM*

"I love this series! I was practically holding my breath to see how they would make it through the latest adventures. It is fun to see how our fairytales mix with Camelot, Oz, and Neverland. There are some **fabulous new twists on the old stories** we grew up with." — *Nancye, USA*

Crisanta Knight: Into The Gray — October 29, 2020

“Maybe the gray was not where people went to get lost. Maybe it was the perfect place to be reborn. For in that gray was the potential to be anything, to become anyone.”

In Book Seven of *The Crisanta Knight Series*, join our heroes on a quest to break a sleeping curse, quell a rebellion, and deal with blurring lines of morality as they try to prevent antagonists from destroying all that’s good.

As relationships change within our group of fairytale friends, it’s time for Crisa to face the consequences of her growing magic powers and the realm’s Fairy Godmother Supreme. As part of that, our title heroine must endure her greatest trials of strength and character yet as she defines herself in this evolving magical world. Throw in adventures with *Sandman*, the *12 Dancing Princesses*, and *King Midas* lore, and this story will have you on the edge of your seat from start to finish.

★★★★★ Praise for *Crisanta Knight: Into The Gray* ★★★★★

“Reading this felt very vivid, sometimes almost **like watching a movie in my head**. There are so many different lands, all so distinct and magical. I don't know how Geanna does it, her imagination must be boundless!!!” — *Sabrina, THE UNITED KINGDOM*

“This series is an awesome **empowering take on female-led, action-packed, fantasy fiction**.” — *Rachel, USA*

“*Into the Gray* is the seventh book in the amazing *Crisanta Knight* series by Geanna Culbertson that I have been devouring ever since the first book, *Protagonist Bound*, came out. And oh my flipping *goodness*, this book was perfect. This novel was absolutely chock-full of shocking moments, **twists and turns**, with a hefty portion of defining character moments all nicely wrapped up in an amazing plot.” — *Leandra, GERMANY*

“*Crisanta Knight* is **my favorite series** and even though I tried to take my time I ended up reading *Into The Gray* in about two days [...] Geanna Culbertson’s writing is easy to read and I giggle at some of the stuff she writes about. If anyone asked me ‘should I read this series?’ I would say: yeah, DUH!” — *Lilli (age 11), USA*

“There aren't enough emojis to adequately portray all the emotions I'm feeling 🥹🥹 or describe all the love I have for this series. Seriously!! If you love **fairytale, retellings, strong female leads, and magical adventures with a slight touch of sarcasm** you need to read this series.” — *Angel, USA*

Crisanta Knight: Midnight Law — January 28, 2021

“Life is not a balanced concept and stories are predicated in the understanding that obstacles will come. They always do. It is up to us to find a way to be true to ourselves while navigating through them.”

SJ, Daniel, Jason, and Blue have returned from Dreamland having achieved their goal of waking their two classmates trapped in a sleeping curse. The problem—their best friend Crisanta Knight didn’t make it back with them. With Crisa captured by the antagonists, our four heroes must team up with their fairytale friends to enact the ancient enchantment of Midnight Law.

As they journey through more magical worlds than in any adventure before, and become entangled in the lore of Mulan, Alice in Wonderland, Rumpelstiltskin, and beyond, our heroes will need to face some hard truths about themselves and their relationships. And they have to hurry.

Because if they don’t find Crisa by the time the clock strikes midnight, she’s not the only one who’s doomed . . .

★★★★★ Praise for *Crisanta Knight: Midnight Law* ★★★★★

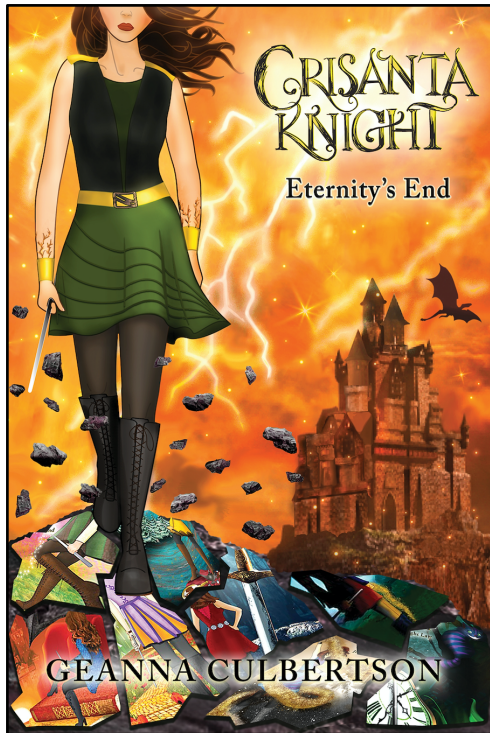

“All in all, it was **absorbing adventure** that kept me up late at night and had my thoughts wandering during the day. It was time spent with friends whose introspective growth challenged my own... and it was a story I can't wait to see continue.” — *Christi Anne, CANADA*

“The book is beautifully written **with lots of action-packed scenes and self-discovery**. Definitely recommend.” — *Julie, USA*

“This book leaves you wishing for the finale to come faster and slower all at once, everything that happens leaves you on the edge of your seat and **hungry for more!**”
— *Amazon Review, CANADA*

“This book brought so many pieces of the Crisanta Knight puzzle together for me! I loved that there were many character POVs that I've already come to know, so getting a chance to be in their head was awesome. This is a series that brings fairytale retellings to a wonderful new level! The children of fairytale characters that are determined to make their own story. It's **relatable and fantastic!** You definitely want to go back and start at the beginning for this series. It is so worth it! This series is perfect for readers that enjoy: Fairytale Retellings. ✨ Female Heroines. ✨ Slow-Burn Romance. ✨ Fantastic Friendships. ✨ Magical Worlds.” — *BreeAnn, USA*

Crisanta Knight: Eternity's End — October 11, 2022

“Our enemies are prepping for the culmination of their plans, we have powerful allies in multiple realms, my magic is stronger than ever, and we’re in a position to cross worlds and find the girl that’s key to all of this. Seems like a good time for a finale, don’t you think?”

In this epic conclusion to the nine-book fantastical series known for its soulful storytelling, exceptional world building, and heroic, inspiring characters, join Crisanta Knight and her allies as they fight for happily ever after—for themselves, the ones they love, and the many realms they have impacted.

Returning from her harrowing experience on Earth as a more powerful *and more dangerous* version of herself, Crisa must redefine her role as a hero, princess, leader, and human girl amidst realms on the brink of chaos and a slew of story arcs about to collide in climax. So put your dragon in park, holster your wand, and strap in for an adventure worthy of the term **FINALE**.

The stakes have never been higher as the antagonists move to execute the final phase of their plan for the realm of Book and greater magical universe. Crisa and company will face them head on and attempt to conquer external and internal adversity as they push to truly live up to the role that started it all—**Protagonist**.

★★★★★ Praise for *Crisanta Knight: Eternity's End* ★★★★★

*“The Crisanta Knight universe is beyond beautiful, merging all the best parts of fairytales into one epic story with **amazing and deeply complex characters**. The series really has touched me in so many ways and will forever be one of my favorites of all time.” — Leandra, GERMANY*

*“**I was blown away** when I finished the book, so much so, that I cried when it was over, because of how deeply moving it was. I can confidently say this was the most gut-wrenching, amazing, wise, and moving books that I have ever read. It changed me as a person as well. **I recommend this book to every single human being in the world.** I LOVED IT!!!” — Lola, USA*

*“A fierce, fresh, and fun series that tickles your heart and makes you smile. *The Crisanta Knight Series* is a delightful take on fairy tales **imbued with empowerment and magical ingenuity** that takes you on an exciting reading adventure to be had again and again.” — Jacqui, AUSTRALIA*

*“An excellent ending to a fun series that’s been **a true breath of fresh air and optimism**. I totally recommend this book and the entire series.” — Parker, USA*

Crisanta Knight - Harry Potter Comparison Reviews

“Finally, a ‘female’ **Harry Potter** who delivers with sass! This is big screen worthy! Move over Cinderella, there’s a new princess in town...” — *Systajojo, USA*

“The headline should read Harry Potter for Princesses. with a soft spot for fairy tales this book was ideal for me, I enjoyed the theme that you can control and manage your own fate but you have to fight for it, and found it refreshing to not have an in your face love story. I felt like the book left me mid adventure, wishing there were more pages or having the next book to go onto.” — *Mia, THE UNITED KINGDOM*

“The beginning of a series Crisanta Knight: Protagonist Bound was a great read. I am in my sixties and I so enjoyed the fantasy world Geanna Culbertson puts us in. I so enjoyed this book that I told my daughters (both in their 30s) to read it too and they too fell in love with the books [...] The writing is excellent when I can picture the entire scenes in my head almost like watching a movie. I hope someday these become movies! I also read **Harry Potter books** and totally enjoyed those as well so when I found this series it was almost like a female version of the world of wizardry. Well done, Geanna!” — *Lilly, USA*

“These books should be turned into movies!!! **Move over Harry Potter!!**”
by Loved it!!” — *KOBO Review*

"A fun adventure to escape into! [...] The action, adventure, and friendships **reminded me of Harry Potter**. The setting of their boarding school reminded me of Disney Channel’s Halloweentown University. I even felt some common aspects from Descendants. I love when I can see aspects of other books or movies that I love. But this book was written in such a magical and different way it’s totally unique in its own way. The character dynamics were intriguing. I enjoyed that Crisanta was not the cookie cutter princess but her friend SJ was. I liked that Cris for short, was sarcastic, funny, and pretty vulnerable. I loved seeing her character grow and change through the 1st book and I can’t wait to see how she will handle what happens next. This was a really fun adventure to go on and I will definitely be reading the next book!” — *Teresa, USA*

“The Crisanta Knight series is the most gorgeous, awe-inspiring book ever written, never cliché or mundane. **The series would appeal to Harry Potter or the School of Good and Evil fans**, or people who enjoy learning about strong heroines. In addition, this series somehow acts as a self-help book as Crisa’s personal journey would strike a chord with many people and solve their insecurities.” — *Grace, HONG KONG*

"Tween Gold - Should be a movie series. If you read this book, you will see that not only is it **EASILY as good as anything Rowling delivered, but offers more realistic inner dialogue and better imagery** (more visceral, less whimsy)." — *Ekajata777, BookBub Review*

"Readers still receive the fantastical locations, characters, and an action-packed story from this incredible author; however, Book 7 also delivers a deeper, more emotional tale. **Much like Star Wars fans rave about the more revealing "Empire Strikes Back," and how Potter fans speak about "The Half-Blood Prince,"** this is the book in Crisanta's series that explores the harsher side of things and focuses on the maturing of a character who finally sees and feels all that their strength can do, yet is now highly worried about how to get it under control." — *Author Amy Lignor, USA*

"One word, delightful. Crisanta Knight: Protagonist Bound is sort of **a fairytale descendant version of Harry Potter**, but unlike Harry, Crisanta isn't a chosen one or unfamiliar with her lot in life. She knows exactly what's expected of her, but she doesn't plan to succumb to that fate easily." — *Trish, USA*

"**The next Harry Potter?** Fast paced and kept one's attention. Nice to have a female main character. Many questions to be answered in future episodes. Would make a good film." — *Joan, THE UNITED KINGDOM*

Some Other Media Comparisons

"A brilliantly written story, easily ready for the TV or movie screen! **As good as Game of Thrones but written for a younger audience**, this book will pick you up on its very first page, wrap you in its arms, and carry you all the way to the end." — *Amy, Barnes & Noble Review*

"I recommend this book as it **reminds me of Tamara Pierce's book series**. You should buy this book or series." — *r clouse, USA*

"Great read! It **reminded me a little of The School for Good and Evil series by Soman Chainani**. Crisa is an incredible character." — *teekayh706, BookBub Review*

"**If you are a fan of the TV show, "Once Upon a Time" you will surely love the Crisanta Knight series.** Kids will love it, as well as adults. I sure did! [...] this book is lighthearted, satisfying, intriguing, and surprisingly relatable. It has a level balance of fantasy and realism, and isn't too scary or mature for younger, middle grade readers. It's full of amazing characters and the book feels like you are watching an exciting movie in your head." — *(Mom_Loves_Reading), USA*
